MEMORANDUM

DATE: December 1, 1993

SUBJ: CERCLIS Deletion and Addition

FROM: Sharon M. Hayes *SMH*  
RI SAM

TO: Brenda Haslett

SDMS DocID 583347

Due to a discrepancy in CERCLIS and RCRIS, I would like to delete a site in CERCLIS, and add a new site in its place. Basically what happened is that Truk-Away of Rhode Island Inc. moved its offices from Industrial Drive to 65 O'Keefe Lane and took the original ID (RID054034293) number with them. The site we are interested in is the landfill that was used by the facility when they operated on Industrial Drive.

Please delete and archive ID number:

Truk-Away of Rhode Island Inc.  
Industrial Drive  
Warwick, RI 02888  
RID054034293

The new site has already been added to CERCLIS (DS1 date is 09/09/93), but I would like to revise this date to the actual discovery date (06/01/81). In addition, I would like to add the actual dates for the PA and SI since they have already been completed for the landfill.
